

**Patrick Taylor**  
Hoerbiger

Patrick Taylor serves as the OEM Field Support Manager and regional xCOM Products Manager for Hoerbiger Corporation of America. He started at HOERBIGER in 2005 as a compressor controls engineer working with the HydroCOM product line. Prior to HOERBIGER, Patrick worked in the maritime industry as a marine engineer and holds a First Assistant Engineer's license. During his maritime career he worked on various break bulk freighters, oil tankers, and offshore drilling platforms. Patrick is a 1997 graduate of the US Merchant Marine Academy in Kings Point, NY and served in the US Naval Reserve from 1997 to 2005.
